FROM: Ray Schultz, Chief of Police, Albuquerque Police Department

SUBJECT: Recommendation of Award: RFP06-004-SV, "Automated Traffic Enforcement Program"

The City of Albuquerque Department of Finance and Administrative Services, Purchasing Division, issued the subject Request for Proposals (RFP) for the Albuquerque Police Department to solicit proposals from qualified vendors to manage the Safe Traffic Operations Program (STOP) per the STOP Fine Ordinance No.: 0-05-96. The City intends to contract for the installation and operation of Automated Traffic Control systems to include red light stop enforcement and school zone speed enforcement.

The RFP was posted on the Purchasing Web Site and advertised in the local newspapers. Four RFP's were mailed to interested vendors, and one Proposal was submitted for evaluation.

The ad hoc evaluation committee reviewed, evaluated and scored the response in accordance with the evaluation criteria published in the RFP and unanimously recommends award to Redflex Traffic Systems. Redflex provided the test system and is currently managing the intersection at Montgomery and Eubank.
